Summary:

Lucas and Max are dating but she won't let him fuck her ass. So Lucas comes up with a solution for his cravings.

Slightly More Than Friends

Lucas had been dating Max for almost a year now and despite his love for the girl he still found himself a little unhappy. The two of them fucked as often as they could and Lucas loved it. Her tight pussy around his cock, her mouth milking his dick and covering her naked body with his cum. There was just one thing that Max wouldn't do, anal. Lucas really wanted to try anal sex but Max was uncomfortable taking his cock in her butt. So the boy had to resort to another option. He approached Will. He had suspected that Will was gay and though Lucas thought that the younger Byers boy was into Mike, he decided to ask Will if he could fuck his butt to satisfy his anal desires. Will didn't require any convincing and their friends-with-benefits relationship was born.

Over the next couple of weeks, Lucas continued to have sex with his girlfriend, the two fucking as often as they could. They did it multiple times at school, the movie theatre, the arcade, and even the grocery store. All the while Lucas and Will were having sex as well. They didn't fool around too much in public for fear of being caught and exposed, although they did often fuck in the woods and castle Byers. It was Lucas who did all the fucking. He didn't really consider himself gay and like his girlfriend, didn't want a dick in his ass. Will didn't mind, he was totally ok with just getting fucked. He would normally give Lucas a blow job then let him prepare his butt. Lucas loved rimming the boy, sometimes getting a little carried away and forgetting that Will was expecting his dick inside and not just his tongue. Will loved Lucas fucking him and taking his cock in his ass. It has been a little uncomfortable the first few times as he got familiar with the feeling but now every time he didn't have Lucas's cock buried deep in his butt he found himself feeling empty. Will was always horny and constantly jerking off any chance he got. Every morning before school, at least once at school, sometimes twice, and every night before bed. After the first week of Lucas fucking him, Will started to finger his butt while he masturbated. Not that he didn't before, just now he was doing it with much more regularity and was fitting 3-4 fingers in his ass at once.

Will was currently on his way to the boy's bathroom, trying to hide

the raging hardon in his pants. He had just finished a class in which he was seated directly behind Lucas. He had actually palmed his dick over sweatpants while staring at the boy's ass. On route to the bathroom, he caught sight of Max and Lucas making out in the hallway, with the redhead girl reaching under Lucas's pants and obviously giving him a handjob. The two teens not caring who saw them. Will was a little jealous but knew that Lucas was only fucking him because Max wouldn't let Lucas have a go at her ass and Will was ok with that. His fear was that Max would finally let Lucas fuck her butt and then Lucas wouldn't have any need for him anymore.

After school the party was hanging out in Mike's basement like they did most Friday afternoons, playing dungeons and dragons. Mike tried to convince his friends to sleep over but Lucas and Will made up an excuse and said their parents wanted them home. Dustin said he could stay though. So just as the sun was starting to set, Will and Lucas left their two friends and headed home. Instead of taking the short walking to the Sinclair house, Lucas and Will got on their bikes and headed in the direction of Will's house. The two teens tore off their clothes as they entered castle Byers, it was getting dark but they could still see each other pretty well.

Will quickly knelt in front of Lucas, the dark-skinned boy slapping his cock on Will's smiling face. Will warped both his hands around Lucas's rod, it was almost twice the size of his own, both in length and girth.

"Fuck," Lucas moaned as Will ran his tongue around the tip of his cock. "Suck me, Will."

Placing his palms on Lucas's ass, Will pressed forward and took all of Lucas's ten inches in his mouth. Even before Lucas and he had started fucking, Will had practiced deepthroating. Often seeing how much of a banana or cucumber that he could fit before gagging. Now he expertly took all of Lucas in his mouth and started to bob his head, drenching his shaft in his spit.

"Fuck that's it, Will," Lucas grabbed the back of Will's head and rammed him hard against his chest, burying his cock down the smaller boy's throat. He started to fuck Will's mouth, starting off slow but quickly building in speed till he was violently attacking Will's

mouth with his large cock. He knew Will loved it when he used him and the Byer's boy didn't hide his arousal, jerking off his five and a half inch cock.

"Fuck," Lucas stopped fucking Will's mouth after a while. He wanted to get to the fucking and knew if he continued he wouldn't be able to fuck Will's cute butt.

Will slid his mouth off Lucas's dick, his face wasted and his brow covered in sweat as he got on his hands and knees and shook his naked butt at Lucas who wasted zero time and buried his face between Will's asscheeks.

"Fuck yes," Will moaned as Lucas's tongue intruded in his ass, slowly licking around the outside of his hole before Lucas spread his butt and squeezed his tongue in his asshole. "Fuck," Will gasped. No matter how many times Lucas rimmed him he never got tired of it. Lucas didn't delay much longer before he inserted his finger into Will's butt and worked his back door so he could fit his cock inside it later. He fingered the boy's ass, stretching his hole and putting a second finger inside. It wasn't much longer till Lucas deemed that Will's butt was ready. He stood up and kind his cock up with Will's slick hole and thrust his cock inside.

Lucas didn't go easy on Will, he knew that the boy wouldn't like it if he did. He rammed as much of his ten inches as he could in Will's ass, managing eight inches without too much trouble. "Fuck Will," Lucas moaned as he worked the final two inches into his butt. "You may have loosened since we started but your ass is still fucking tight!"

"Thank you," Will gasped as Lucas's cock brushed against his prostate. "Faster Lucas," he moaned and Lucas sped up his hips, slamming hard into Will's butt.

"That's it, harder, harder! Harder!!" Will screamed as Lucas violently assaulted his ass with his massive cock. "It feels so good!!!" Spank me, Lucas! Spank my butt. Imprint your hands on my cheeks!"

"Fuck, you're such a slut," Lucas sent both his palms down hard on Will's ass. He spanned the smaller boy continuously both of them

moaning as his cock slid in and out of Will's hole. Will was even more of a slut than Max, originally Lucas didn't think that was possible but he wasn't complaining. He has two sluts he could fuck, one for their pussy and the other for their ass. "Fuck Will, I'm getting close."

Will got Lucas to stop fucking him as he wanted to switch positions for their fun ended. "Here, let me ride you." Will stood up and stroked his cock as he watched Lucas do the same as he lay down. Will sank down on his shaft, taking all of his meat in his hole once more.

Lucas looked up at Will's face and his cock as the Byers boy bounced hard on his dick while stroking his own. "Fuck I'm even deeper in your ass," Lucas moaned. "I don't have much longer."

"Just hold out a little more Lucas," Will begged, his hands stroking his cock furiously. "I want to cum before you."

"I'll try," Lucas closed his eyes and gritted his teeth as he tried to resist cumming. The sound of Will's moans and his ass coming down hard on Lucas's cock made it difficult and Lucas couldn't last any longer.

"Fuck," Lucas moaned as he reached his climax, but was drowned out by Will's plunder moans as he shot his cum, unloading all over Lucas's face and chest. Lucas opened his eyes to see Will's cock erupt all over him as he also orgasmed and fired his seed deep in Will's butt.

"That was one of our better ones, wouldn't you say?" Lucas asked Will once they had settled down from their orgasms.

"Definitely," Will got off Lucas's softening cock, his ass full of his cum, some of it trickling down his thigh. Will had a little trouble standing but he always did after taking Lucas's cock in his butt. "Wanna spend the night?"

"I'd love to, but I think it wouldn't be a good idea for us to sleep over after ditching Mike and Dustin. It might draw suspicions about us." Lucas said as he got ready to head back home.

“You’re right, though you are still covered in my cum, what are you going to do about that?”

I” don’t know, got any ideas?” Lucas smiled at Will.”

“Here,” Will stood next to Lucas and began to lick his cum off of him

“Fuck,” Lucas gasped as Will ran in tongue over his body, lingering more than was needed to remove his seed. “Thanks, Will,” Lucas gave him a wink. See you tomorrow.”

“See you tomorrow,” Will watched Lucas walk off into the night, lying back down and stroking his hardening cock.
